August 28, 2022

### **Water conservation notice issued for Wainiha-Hā'ena until further notice**

(6:30 p.m.) HAENA- The Department of Water (DOW) has issued an immediate water conservation notice for Wainiha-Hā'ena customers due an electrical power outage affecting the pump station facilities. Customers are advised to limit water use to essential needs only; such as cooking, drinking and sanitation needs, until further notice in order to avoid a full water service outage.

Additional water conservation measures include refraining from car washing and turning off fixtures and appliances that automatically draw water such as ice machines and irrigation systems.

An update will be provided when the water conservation notice has been lifted.
